Disclosure

Speakers will be requested to disclose to the audience, any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of this program.

Accreditation

The Office of Continuing Education and Professional Development (CEPD), Faculty of Medicine, University of Toronto is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows the Office of CEPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, the Royal College of Physicians and Surgeons of Canada, the American Medical Association, and

the European Accreditation Council for Continuing Medical Education (EACCME).

Letters of accreditation/attendance will be available online following Schizophrenia Update 2010. Participants will be emailed information on December 8, 2010 specifying how to obtain their Letter of Accreditation/Attendance online. We do not routinely mail out accreditation letters.

Cancellation

Refunds will not be issued for cancellations received after November 15, 2010. A processing fee of \$40 will be retained on all cancellations. Requests for cancellation must be made in writing. Registrations are not transferable. The University of Toronto reserves the right to cancel events. Registrants will be notified at the earliest possible date in the event of a cancellation. Registration fees for events cancelled by the University will be refunded; however the University will not be liable for any loss, damages or other expenses that such cancellations may cause.

Electronic Syllabus

To ensure that participants receive the most up-to-date information from presenters, and to reduce the environmental impact of our meeting, a hard copy syllabus will not be printed. Conference participants will be presented with a USB key containing presentation content and enhanced reference materials.
