## Advances in **Pulmonary** **Hypertension**

September 16, 2011

Sutton Place Hotel  
955 Bay Street, Toronto, ON

### Target Audience

Practitioners interested in learning more about advances in the understanding of the pathophysiology and treatment of patients with chronic thromboembolic pulmonary hypertension (CTEPH).

Cardiologists, respirologists, thoracic surgeons, rheumatologists, internists, hematologists.

### Goals

- Learn to recognize and evaluate CTEPH
- Review the current approach for the assessment of CTEPH
- Update on the new anticoagulation medications available for venous thromboembolic disease
- Increase knowledge in the role of radiology for CTEPH
- Describe recent advances in the medical and surgical management of CTEPH

### Objectives

- Participants will know the incidence and risk factors for CTEPH
- Explain the mechanisms of PH in chronic thromboembolic disease
- Know the current and upcoming options for long term anticoagulation
- Integrate an understanding of physiological concepts into the management of patients with CTEPH
- Able to evaluate the surgical options for CTEPH

### International Guest Faculty:

**Marc Humbert, MD, PhD**  
Director, INSERM U999  
Professor of Respiratory Medicine  
Assistance Publique Hôpitaux de Paris  
Université Paris-Sud 11  
France

**Richard N. Channick, MD**  
Director, Pulmonary Hypertension Program  
Massachusetts General Hospital  
Associate Professor of Medicine,  
Harvard Medical School  
Boston, Massachusetts, USA

**Steeve Provencher, MD, MSc.**  
Associate Professor of Medicine, Laval University  
Institut Universitaire de Cardiologie et de Pneumologie de Québec  
Québec City, Quebec

**Sanjay Mehta, MD, FRCPC, FCCP**  
Professor, Faculty of Medicine and Dentistry  
London Health Sciences Centre, UWO  
Director, Southwest Ontario Pulmonary  
Hypertension Clinic  
London, Ontario

**Clive Kearon, MD, PhD**  
Professor Medicine, Director,  
Clinical Investigator Program,  
McMaster University,  
Hamilton, Ontario

### Course Directors:

**Marc de Perrot, MD, MSc,**  
Division of Thoracic  
Toronto General Hospital  
Associate Prof. of Surgery, University of Toronto  
Division of Thoracic Surgery

**John Granton, MD, FRCP**  
Division of Respiriology,  
University Health Network,  
Mount Sinai Hospital and Women's College Hospital  
Associate Prof. of Medicine,  
Faculty of Medicine, University of Toronto
